

Academic and Administrative Audit Report

(2023-2024)

Chhaygaon College

Certificate

It is certified that the Academic and Administrative Audit (AAA) Report of Chhaygaon College has been prepared by the undersigned audit team members. The data and information relating to the academic and administrative aspects are primarily collected from the IQAC, academic departments and administrative offices of the college. During the visit of the AAA team to all the academic departments, digital presentations of departmental profiles were made followed by spot verification and intensive interactions with the faculty members. The team also visited the administrative offices, Library etc. and interacted with the concerned stakeholders for acquiring necessary relevant data.

It is further certified that all the data and information incorporated in this AAA report are authentic which are duly scrutinized during different stages of verification.
