This is to express our immense gratitude and appreciation for your exceptional efforts in organizing the voluntary blood donation camp by your organization on 7th November, 2025 at Chhaygaon College, Kamrup.

Your tireless efforts in mobilizing volunteers, managing logistics, and ensuring a smooth execution of the camp have been truly remarkable.

Every donor who participated in this noble cause did so with a sense of generosity. It represents a community coming together to support those in need, offering comfort and hope to patients as well as their families facing challenging times during their fight with cancer.
